I think everyone needs to rethink their strategy here.

It's obvious BSS is going to be a flop, bur in all honesty, it provides the greater Renegade community with integral services, such as banding idiots together to make them easier to identify. Also, it provides said idiots with a place to hang out and be idiotic, decreasing (hopefully) the time they spend around the rest of us. Also, if BSS is abandoned, it's members might actually go out and seek to take roost in other communities, something that nobody wants.

Therefore, we should support BSS in all it's endeavors, since life will be slightly more annoying on us without it.
