Dover wrote on Fri, 28 December 2007 03:06Who said I consider Jelly to be good? I play NS.

Who considers them not to be? We have beaten everybody but Non00bs....then again I guess you could argue that the right people don't play in the matches, which is probably a factor. Jelly 1 AOW has lost prestige simply because it is the first on the list for easy access to the newer players. Jelly-Marathon basically doesn't allow people who don't know how to play. They can come but they won't stay.
