cnc95fan wrote on Sun, 30 December 2007 12:08 most, if not all people here on the Ren Forums have some skill at modding Renegade(barr few) we could make this a reality... And fix a lot of the problems currently in Renegade

cmatt42 wrote on Sun, 30 December 2007 12:10

Or without some really ugly hacks.

There are some really great coders here... Also, a lot of the problems can be fixed easily, mostly small ones, like balaning in maps... The Level Edit can be stripped down to several versions for mapping only, modding only etc..
