Well the stand-alone version needs the 1.037 Patch >
http://game-maps.net/index.php?action=file&id=402
The First Decade doesn't.

EDIT: You could also try the 2.9.2 scripts(http://game-maps.net/index.php?action=file&id=603) but
I would suggest doing a clean install before installing the patch and scripts.

When installing/reinstalling use this guide >
http://www.renegadeforums.com/index.php?t=msg&th=24533&start=0&rid=2 1525
