Subject: Looking For HTML Code
Posted by _SSnipe_ on Mon, 07 Jan 2008 10:57:03 GMT

yes another myspace code im looking for

i found this tracker...works but only if there picture is on my pro......is there a way to post the code on my page BUT have another code like hide the picture form showing up? its jsut a code like this

</div><p>exmaple</p>

i just want to put a code ;like that in my page but not have the picture show up....so any one know anything?
