Aren't they just kind of.....The same thing.....? I mean, sure they look slightly different, but they have the same stats and stuff.....

By the way, just my 2 cents: Another thing deadly to the buggy/humvee? Pretty much any automatic weapon. I can EASILY take down a buggy with a solder. Easily. If they have very good aim, its slightly harder, since they can headshot me, but usually if I dump 2 clips into them, maybe less, that buggy is gone, and whoever's inside is going to get ripped apart shortly after.
