I don't discriminate you for being a 34 year old clinically obese man living in his mothers basement afraid to face the real world incase "they're all like the people on the internet flaming me", do i?

lie...

Now ask anyone how old I am and you'll be told I'm 18, that I do infact live at home, but upstairs in my room. I have a girlfriend who in fact would be my definition of normal, and I don't spend all day on this site like you seem to do*.

*notice how long I have been here and how few posts I have compared to you and others.
