Captkurt01 Your not going to pull me into any long flame debut, I said all I need to on this subject. This forum is for people to share their mapping experience or talk and learn, not get drawn into the moderators don't like me. I'm sorry about that, but I have not done anything against any of

You were banned because you're an asshole. I don't care how you spin it around.

Just remember: If you said all you needed to say, you wouldn't be saying anything at all. :rolleyes:
