Zion Fox wrote on Wed, 09 January 2008 10:07Don't like the font.
Don't like that horrid car above the radar.
Don't like your skins.
Is that "scrin" logo underneath text part of the hud?
Why use TS building icons? Why not Renegade ones? This is Renegade afterall.

this is -= Red Alert 2: Apocalypse Rising =- afterall
and yellow car = joke
