Go watch them now. You don't have to be a Star Wars fan to be "into that kinda stuff"

Seeing Star Wars is like a requirement of life. However, if you do decide to watch it, watch it in the episode order 4, 5, 6, 1, 2, 3. (Oldest to recent)

Star Wars isn't "for geeks and nerds" as you may be thinking. Being ADDICTED to Star Wars is. But the movies themselves are a must-see.
