puddle_splasher wrote on Thu, 02 August 2007 14:16IMHO if you cannot snipe, then don't. I can't, I don't.

Get a Med instead

Yeah! The most annoying thing about snipers is when the hand/bar is gone and they all crawl out of the woodwork.. Not much fun when you can't move for being shot by one of the 10 snipers camping. Furthermore maybe you should give some practice time to other characters?
