Not much content yet, though (obviously).

Fuck EA They Totaly Ruined Command And Conquer I Think.

Fuck You, You're Ruining The English Lanuage Every Time You Post.
You Only Hate EA Because All The Cool Kids Are Doing It. You Know What Ruined Command And Conquer? Tiberian Sun And Red Alert 2. Generals Was A Fantastic Game, But People Can't Look Past To See That Because They're Too Busy Complaining About The Lack Of Stealth Tanks. Get The Fuck Off Of My Internet.

Generals is the worst C&C game ever! I wouldn't even consider it a C&C since it is so horrible(same goes for ZH of course), RA2 and TS Pwn!
