The Elite Officer wrote on Thu, 17 January 2008 19:28I said that IS NOT a torrent???

You CAN NOT get Windows legally free. The only way is by either stealing a copy, or torrenting a copy.

I, and other rule abiding people of this forum, are not going to tell you how to do this because 1) It's against the law, and 2) It's against forum rules.

Please go elsewhere...
