Quote:ahh no censorship. personally i find it annoying that people who are parents want to complain that there children might see cursing. umm if you hadn't checked the box it has a TEEN rating so kids shouldn't be playing. so to hell with anyone who wants censorship.

I know I really hate those kinda people. The person that made me so mad is some lady who came on The news after all these allegations about GTA3 came about. She goes "Well I have 3 boys, one is 2, the other is 5, and the other is 10 and a half. I just was appalled one day when I was watching my kids play this game! Promoting the killing of innocent people and policemen is horrible. This game and all others like it should be banned."

Um... Crazy lady, WHY NOT BAN THEM IN YOUR HOUSE! DONT MAKE OLDER PEOPLE SUFFER CAUSE YOUR A BAD PARENT. THE GAMES RATED M and YOUR 5 YEAR OLD IS PLAYING IT!? CALL DCFS! Why not Ban youself from parenting than banning a game other find quite enjoyable and have no problem with. Why doesn't she take them into the Bronx, buy them some popcorn and tickets and send them into a Pr0n Theatre, then say "I can't beleive they would show that to little children with no restrictions! I think all movie theatres should be banned!"

Some people make me so mad!
