Question 1:
Yes, I would recommend abortion.

1 Live < 9 Lives

Question 2:
Choice C.

I thought about it, cause I thought it was a trick, but after thinking about it, both of the other candidates had bad experiences in office. #3 was the only one with a positive look on office, I don't care about the other "qualities" he/she had.

But then again, it was kind of bias, because you are in a way forcing us to pick choice C.
