Cabal8616 wrote on Sat, 26 January 2008 13:46I do agree that more decisions should be based upon user choices, but I'm pretty sure that Crimson and Blazer n whatnot aren't complete forum-nazis.

Just takes a bit of asking, and a nice little click on that report button from a few users.

We don't want Crimson and Blazer to be 'forum-nazis' we just want them to tighten up on the moderation a tad.

Obviously I voted yes.
