MWright968 wrote on Thu, 24 January 2008 18:16FuXm3tal was banned (and maybe the whole clan too?) for cheating @ cw.cc

He got banned for cheating. We closed the clan down and he hasn't asked to come back for it. We never got banned as a whole, but he did.

He won't be getting back into the clan though. (by the way, I'm Stitch - owner of the FuXClan).
