renalpha wrote on Sat, 26 January 2008 14:43hell no

they said the CIA killed him

it were actually the, indians, no offence but they felt ashamed that he was singin with that retarded cher (half men half women) so they killed him with a axe.

usa goverment said the cia did it, just because they are afraid that the people would think it was osama bin laden,

however osama bin laden is related to the indians.

and now. yes now its pleco time.
