Rocko wrote on Sat, 26 January 2008 22:26No because just like with the United States, the majority is full of total idiots and retards and can not be trusted, and shouldn't be trusted with the ability to make any important decisions.

Crimson, Blazer, and the other admins are doing a decent job at moderating. The very same public wanting moderation are the ones who are spamming pleco pictures and doing retarded things like that.

Thats rich coming from you. You're one of the trolls that post useless threads.

I for one have never posted a picture of a pleco and I want the moderation tightened.
