cnc95fan wrote on Mon, 28 January 2008 10:27How do you know people mistaked "ordinary things" for "godly occurences"?

We know because recorded history tells us that the ancients had a "god" for pretty much everything. The sun god, moon god, sea god, thunder god, lightning god...I can go on for days. Pretty much everything "ordinary" were seen as "godly occurences."

We as a human race, even now, are discovering new things around us.

cnc95fan wrote on Mon, 28 January 2008 10:27Nor is the creation of life, on one planet, out of many.

We don't know for sure if this is the only planet with life.
