Well, the easiest way is to use WOL (XWIS)

Simply start Renegade, click "Multiplayer," then click "Westwood Online."

After you get in the "Start Game" menu, click on "Advanced Game listings"

You will get a popup asking you to log in. This is what I like about XWIS. You simply put in a name you would like to use, and put in a password. If the name is free, then it is yours to keep forever! No email registration or anything. Just make a name and play.
