We dont care if you are homosexual... why did you feel the need to repeat it over and over again in the server? It was not neccersary...

I will look for logs tonight, I am just going by what a few of the 'top mods' told me. I will inspect the logs myself tonight. But as far as i am concerned... how did they know you was a homo? Did you feel the need to announce it?

lol @ "how did they know you was a homo?"

Just find this part really funny. lol

Maybe he tells everyone he is because he is looking for a bf, lol
