boatbomber Try posting more information instead of asking retarded non-specific questions.
Moron.

Your the moron for not offering any assistance. You should ask him for more information or post what you know about making tank tracks so it may help him. Your post isn't exactly going to be of great help to him.

Here are some tank tracks by Sgt.May that may help you. You can get them from <http://modx.the-pitts.net/showthread.php?s=&threadid=411> . I hope this helps you out. Boning vehicles is not an easy thing and requires prectise.
