That is why there is crime in this world. You think that God wants that man to rob the old lady? You honestly think that? If that is the case, you are just a complete religion idiot.

Yet God could stop it if he wanted to. Then the old lady thus dies, and the robber goes to hell. I'll say it again, considering you appear to be too pumped on religious juice to understand this: According to your bible, God sees all, knows all, and PREDESTINES HISTORY BEFORE IT HAPPENS. THUS THE APOCALYPSE. Which means he could stop the robber, he could save the robber from eternal damnation and the old lady from a too short death, yet he doesn't to fulfill the prophecy of destruction which is yet to come. And you say we have free will? Interesting.

But if the old lady was a good and faithful woman to god then she would be sent to heaven where she would experience eternal bliss. Therefor it would be better to die and go to heaven rather than to stay on earth.
