Or 1 or 3, anyway I am sure you could attach some scripts to it in order to get it to work, I will check LE and see about that, tell you later today...or this evening I ment.

!scripts cnc95fan

Host(PM from BrenBot): Player cnc95fan is running scripts version 3.9

The hell are you on about? The latest scripts version is 3.4.4 and I havn't played Ren for about 2 months now..
