Lol. Way to go, because obviously, playing 3 minutes on the largest map in Renegade OBVIOUSLY shows everything it's worth.

I'm also highly doubting you've ever played the EKTRPG server. It combines MMORPG aspects into an FPS quite well (Still in development of course, but yeah). I'm willing to bet both you and troop only got it and played it/the server for a few seconds just so you could say "LOL I PALY'D IT AN I DESLIKE IT!".
