I got this on my AIM today...I suspect its the same person:

[10:03] aircrackerjack: Hello I am aircrackerjack, the fireworks of bots and I am created to serve my master Aircraftkiller. I have come to ask that CaptKurt be banned from the boards.

[10:04] Blazer0x: lol?

[10:04] aircrackerjack: I'm glad you find this amusing.

[10:04] Blazer0x: funny

[10:04] aircrackerjack: I am so glad you find this amusing, Blazerx.

[10:04] Blazer0x: nice bot

[10:04] aircrackerjack: Thank you for your kindness.

[10:05] aircrackerjack: Correct I am a bot, working for Aircraftkiller. I also have HTML and Form POST capabilities as well.

[10:11] aircrackerjack: Awaiting your response.

Other commands :

Silent - RPG Game

RPS - Rock Paper Scissors

Message Center - Send or relay messages to someone

I talked to Aircraftkiller and verified that it was NOT him that had anything to do with the above messages.
