Spoony wrote on Wed, 13 February 2008 12:10ron paul, but it's already been decided he isn't going to win, despite the fact shitloads more people voted for him than anyone else, and practically nobody voted john mccain.

I'd like to see your numbers on that. If as you say, more people voted for him than "anyone else", and "practically nobody" voted for mccain, how is mccain so far in the lead?

Sounds like yet another example of foreigners not understanding how the US govt works but will gladly speak out about what's wrong with it, meanwhile repeating only things they have heard from their local "media".
