cmatt42 wrote on Fri, 22 February 2008 23:29It's fun for a little while, yes, but I wonder why it's so dang popular, too.

It was practically the first multiplayer game with good-ish graphics and gameplay so "new" (We're talking about the year 2000 here) that didn't suck / didn't get old fast.

To simply put it, VALVe got millions off it along side with Half-Life.
