Hey guys.

I have been trying to get a hold of an fds serial key off the official site but for the past 3 days it says it is down for maintenance. I looked into a bit more and found that in the past they stopped giving out the keys. I was wondering if any1 has 1 to spare for me so i can practice modding. If you could help me that would be great

(If you have one to spare could you email it to me @ carljohn1989@hotmail.com)
