Quote: You're probably right. The only reason why people hold on to Renegade is because of its unique C&C-mode. Once another FPS is released with a C&C-mode, the Renegades will run to that.

But I doubt a new FPS will happen anytime soon. We'll probably see a C&C3 expansion and RA3 before an FPS of any sort. Also, remember that FPS games take far longer to make than RTS.

cough www.Tiberium.com *cough*

/me Plays the Funeral March for renegade
