Subject: "Don't repair those tanks!"

Posted by bignoob41 on Sat, 01 Mar 2008 03:33:46 GMT

I had an engineer earlier and was helping repair the tanks that where already blown up when I had a couple people tell me not to repair them and threaten to kick me from the game Oo.

I'm kinda new to the game so i'm just kinda curious why?

I figured I was helping because they where healing up faster >.>
