Subject: Re: Okay, this that and that, how do I do it. Posted by Commando Burton on Sat, 01 Mar 2008 23:50:56 GMT View Forum Message <> Reply to Message

Okay, originally it was a hack but I will post it here its not really fun, and someone help me with the armor.ini.

I am doing Renegade Dedicated Server I think 1.37 or something. Here just put in data start the game then play.
