pffft...
if the source would be released to one community
they would keep it for himself to feel cool.
owye 1 yet another thing.
FUCK YE IM BEING PESSIMISTIC
everybody should have to download the new game so, tbh whats is the motherfucking point?

i bet all you asshats wants something new
reborn wants this, voiltbloky this, oh and dont forget about v00d00. the whole game would be
screwed in the end so
i voted no, and keep it like it is

kthxbaigoawaynub
