I liked it better than the original, but I guess Will Smith wasn't up for a sequel. Although it still bothers me how they drive out of the city in the end when the army had already blown up all the bridges.

Toggle Spoiler  
Now, this is a story all about how  
My life got flipped-turned upside down  
And I liked to take a minute  
Just sit right there  
I'll tell you how I became the prince of a town called Bel Air

In west Philadelphia born and raised  
On the playground was where I spent most of my days  
Chillin' out maxin' relaxin' all cool  
And all shootin some b-ball outside of the school  
When a couple of guys  
Who were up to no good  
Startin making trouble in my neighborhood  
I got in one little fight and my mom got scared  
She said 'You're movin' with your auntie and uncle in Bel Air'

I begged and pleaded with her day after day  
But she packed my suite case and send me on my way  
She gave me a kiss and then she gave me my ticket.  
I put my walkman on and said, 'I might as well kick it'.

First class, yo this is bad  
Drinking orange juice out of a champagne glass.  
Is this what the people of Bel-Air Living like?  
Hmmmmm this might be alright.

But wait I hear there're prissy, wine all that  
Is Bel-Air the type of place they send this cool cat?  
I don't think sow  
I'll see when I get there  
I hope they're prepared for the prince of Bel-Air

Well, the plane landed and when I came out  
There was a dude who looked like a cop standing there with my name out  
I ain't trying to get arrested  
I just got here  
I sprang with the quickness like lightening, disappeared

I whistled for a cab and when it came near  
The license plate said fresh and it had dice in the mirror

If anything I can say this cab is rare  
But I thought 'Now forget it' - 'Yo homes to Bel Air'

I pulled up to the house about 7 or 8  
And I yelled to the cabbie 'Yo homes smell ya later'  
I looked at my kingdom  
I was finally there  
To sit on my throne as the Prince of Bel Air
