hahahahahahahahaha

i love his story

it also says this

about his first girlfriend

Aircraftkiller's first girlfriend was born with a near fatal lung disease, which nearly caused her to die on several occasions. At some point, ACK managed to convince this poor soul that he wasn't that much of a douche and declared his love for her.

ahahahahahaahhahahahahahaha

im crying right now after reading this

Aircraftkiller made a plea one day for donations. He stated that he, his girlfriend and his cats, were starving and needed money for food. He manages to rake in quite a considerable sum of money and it wasn't until his second girlfriend decided to kick him out that it came to light that he had lied about the whole thing. The donation money was spent on games and porn, which he didn't even have the decency to share with his girlfriend at the time.

who wrote this shit?

i must admit, I FUCKING LOVE YOU.

also why didnt people made a enceclopedia about me
