There's some red text in the corner of the screen. Someone is clicking the 'report to moderator' button on another of Troop's retarded posts.

Your vote will decide who will answer this message, weather it's someone who already knows the community's leaders, knows the modders and is tested and ready to lead in a drama-filled world.

It's three AM, and Troop has posted something stupid about clans.

"I'm Canadacdn, and I approve this message."

Canadacdn for moderator not '0 likely

Go Obama!

Why would you use a Hillary speech to promote yourself? Thats just an attempt at epic fail!

Try reading the whole message next time. It's a parody.

A paraody is built off of something else, it is a speech for Hillary originally, you just changed a few words.
