Cabal8616 wrote on Sat, 08 March 2008 18:09 On another note, I can't say this belongs here in the "Tactics and strategy" forum as it's more of just asking people which character they like the most, rather than how they can use certain characters. Unless that was your intention?

I specifically stated "Favorite character and WHY". It does belong in tactic and strategies because people are supposed to explain the reasons for which they like various characters, thus tactics.
