I suppose that makes sense then.

And, the reason why I like being the SBH, well, naturally, because of the many possibilities. Not to say I'm ALWAYS the SBH, as I sadly don't get the chance to be one all the time. But when I am, it's very nice to be able to sneak in the enemy's base, place a C4/nuke, and watch them all run around wondering wtf's goin on.
