AeonElitewarrantoAeonElitewarrantoAssassinYou see, you have to prevent the person from doing it in the FIRST place. That means making sure your getting your money fast and buying a tank so your opponent cannot attack you. THAT requires skill.

that requires luck... getting the first box isn't skill. And you have the choice to defend your harvester or destroy your oponents.

Get outta here your just spamming you newb, ACK just admitt you stole my Orca and say your sorry and ill be happY!

You still haven't answered my question, how long ago did this happen?
