Ok, stop throwing a fit because we didn't make you a mod.

and to punko24, please discuss this in

<http://the-brotherhood.org/community/forumdisplay.php?f=101>

Renforums has nothing to do with the Kamuix community.

We have no intentions of "tampering with your computer," I apologise for the inconvenience.

lol i dont Want anymore to be Mod on this gay Server, MOST Mods like you, Arty80, Havoc5310 etc just suck and dont have any Skills.

I Talked with Kamuix some Moths ago and he said that Havoc really sucked as Mod like many others on his Server LOL
