Ok... back to the past...

I didnt keep it on a piece of paper but just some stats:

-We already had a 'I think I can diss ACK so hard he doesnt know any awnser' topic about 245 times.

-ACK had proven us he always gets you back 245 times.

-These useless topics always seem to get over 80 replys

-It always takes 6 ppl to yell at a Mod before its finally closed down.

-'Why bother?' Has already been said about 3984 times.

-ACK is tha best and stuff like that is already said 35946 times and ACK sucks about 34865 times... is this guy god or something??
