Oblivion165 wrote on Wed, 26 March 2008 22:50The perfect girl for me is plain, intelligent and flawed. I would prefer the geek over any of those Barbie girls.

Obliv likes to be comfortable. I would like to have someone that is on my same level so that I can actually enjoy a conversation. I don't want to worry about if she is boning the guy at Bi-lo or the UPS guy.

I guess I just want to be able to sit around on the couch and watch Lost with someone that enjoys it as much as I do.

Thats me, I couldn't have described myself any better. MSN?
