Oh, and to all the people saying that if Hillary wins, they're moving to Canada? Last time I checked, Canada has universal health care and all sorts of ultraliberal institutions. And you're afraid of what Hillary's gonna do? Well, don't let the door hit your ass on the way out! That's not why (for most people I guess), Hilary's implementation differs from Canada's.

There are much things to dislike about Hilary, and that's why most people don't like her. She's a chronic liar and very corrupt. Just a little more corrupt than McCain.
