Clicky

NO im not fucking hacking i was finding out to see if the new scripts block *cheat name removed* cause if u go to the xpz marathon we force scripts to ones we think use *cheat name removed* cause the latest scripts are onyl thing that stop that new *cheat name removed* then someone told me they been bypassed and a new *cheat name removed* came out.....if i wanted to hack i whould use a different nick name

i mean to learn how to find and caught hacks you have to know how they work and what stops them

i dont hack thank u i got the latest scripts and renege resurrection and when it works rg

stop stop talkign shit unless u know whats going on....matter of fact why are you on those forums anyways....

i dont care if u guys believe me or not i go in ur server im not even that good at gameplay and ill do any test and download anything u ask me to

i request this gets locked before people start talkign without knowing whats really going on
