So im 18 years today and none can kill my mood right now
it seems like my life is twisting turns so fuck up badley every now and then, that just before i got
18.

things like my best friend kissed my ex.

i didnt got a longer contract from work

but also messed up very strange shit like

a really really hot chick starts to fall in love with me

another girl also has a crush on me.

The 1st one i srsly had no idea if that was possible to be honest

i mean she liked very different guys like me.

i was just smoking with her lol

so

i wonder

what happend when you turned out 18

a week before

and a week after.

one things is for sjure

im going to the coffeeshop and smoke myself till i die like a junkie

ahahaha

Peace out man

18 years old Renalpha

* lolol *

im an adult right now.

fuck yea
