cheesesoda wrote on Tue, 15 April 2008 13:55 Birthdays are a nice way of having an excuse to spend time with your friends and family. Unless, of course, you don't have friends, then I can see where it'd be pointless to celebrate birthdays. Must suck.
That is all a matter of personality. I.E. Your personality.

I hate my birthday because everyone I know doesn't leave me alone...

Therefore, in my position, not having friends would be more fun than having friends... >_>

...sucks though cause I'm the kind of person that people seem to like as soon as I say hi to them...
