Gen\_Blacky wrote on Sat, 14 April 2007 07:53 your renegade dosent have all those models but le has the presets Of course you can play as a Chicken or MrTickles and as a Visceroid too. The three can be found in LE.

If you set CnC\_Chicken as the SpawnChar in the SSAOW/SSGM, it will crash your Server. Making it buyable ingame does work though. The CnC\_Visceroid works as as SpawnChar (last tested on SSAOW1.5).
