Brief Intro:

Our clan is called Exiled Coalition , you can recognise us by the tag -Xc.

We are a clan of about 34 members. {-Xc} is made out of a coalition of smaller clans and communities.

The clan is currently at a stage where we are testing a server, our teamspeak and our website.

We're a very flexible when it comes to negotiations.

What are we looking for?

A Clan at a similar stage as our clan, that is looking for a dedicated alliance perhaps for some activities like Funwars and so on.
