Subject: Saving my map
Posted by Sn1per XL on Mon, 21 Jul 2003 02:55:40 GMT

Yes i restarted a few times and i did delete those folders i dunno what im doing wrong lemme say exacty what i did

i made the map and all then i generated the sectors then i deleted the folders it said in tutorial then i clicked export mod i put "my mapname.mix" exported then i went on renegade and i had this problem.
